Thank you for selecting NINTENDO LAND™ for Wii U™.

This software is designed only for use with the European/Australian version of the Wii U console. Please read this manual carefully before using this software. If the software is to be used by young children, the manual should be read and explained to them by an adult.

Before use, please also read the content of the  Health and Safety Information application on the Wii U Menu. It contains important information that will help you enjoy this software.

Language Selection

The in-game language depends on the one that is set on the console. This title supports eight different languages: English, German, French, Spanish, Italian, Dutch, Portuguese and Russian.

You can change the in-game language by changing the language setting of your console. You can change the console language in  System Settings.

Age Rating Information

For age rating information for this and other software, please consult the relevant website for the age rating system in your region.

NINTENDO LAND is a theme park featuring 12 different attractions. You visit as your own Mii™ character and play a variety of attractions for between one and five players, taking on the role of Nintendo characters such as Mario.

The following controllers can be used with this software when they are paired with the console.

- ◆ Unless stated otherwise, "Wii Remote" refers to both the Wii Remote and Wii Remote Plus.
- ◆ Where "Wii Remote Plus" is specified, you can use either a Wii Remote Plus or a Wii Remote with the Wii MotionPlus™ accessory attached.
- ◆ Only one Wii U GamePad can be used with this software at a time.
- ◆ To play most multiplayer modes, each player needs a separate controller.
- ◆ In the Attraction Tour  20 , up to five people can play with just a Wii U GamePad and at least one Wii Remote.
- ◆ A Sensor Bar is required when using the Wii Remote. For more information about Sensor Bar placement, read the Wii U Operations Manual.

Pairing Controllers

Open the HOME Menu and select CONTROLLER SETTINGS ⇒ PAIR.

Follow the on-screen instructions to pair your controller.

This section explains the basic controls used outside the attractions. To learn the controls for the park's attractions, refer to the corresponding page for each attraction.

2 Rest Island

When you land on one of these islands, your Mii gets two balloons again. If you find a package, you can choose to transport it to the next island.

3 Lives

4 Items, obstacles and enemies

Balloon Breakers

If you hit one of these, you'll lose one balloon. Some can be moved or smashed with a shockwave.

Balloons

Bump into these or burst them with a shockwave to earn points. You'll get extra points if you can burst a continuous string of balloons, without missing any!

Balloon Birds

These birds will make your journey perilous. Pop their balloons to make them fall.

Balloon Fish

Skim the water's surface to make this hungry fishy pop up. She's been known to eat birds and Mii characters for breakfast!

Bubbles

A bubble will emerge every time a bird splashes into the water. Burst them for more points!

Assisting Another Player

Press **A** on the Wii Remote to push away obstacles and burst the balloons on Balloon Birds.

You can play in this mode if you have a Wii U GamePad and at least one Wii Remote. Two to five players compete in various attractions to see who can get the highest score.

Taking a Tour

Select **ATTRACTION TOUR** from the menu, or get on the train in Nintendo Land Plaza and press **A** to join the tour.

Follow the on-screen instructions to configure settings and begin playing.

Players can also vote for who they think will win. If a player wins, their supporters will also get points.

If you don't see any Metroid Blast cards appearing in the Attraction Tour, it may be due to one of the following reasons:

- A paired Wii Remote does not have an attached Wii MotionPlus accessory.
- A Mii that hasn't played Metroid Blast is being used.

If you connect to the internet, the following  Miiverse features will be available:

- Mii characters from all over the world can come and visit Nintendo Land Plaza.
- When you make an in-game post, your Mii will then show up in other players' parks.
- You can give a Yeah or add comments to in-game posts, and view posters' Miiverse profiles.
- ◆ If you don't want your Mii to visit other parks, or if you want to restrict Miiverse posting and commenting, adjust the settings via  Parental Controls on the Wii U Menu.
- ◆ You will need to connect to the internet and set up Miiverse in advance.
- ◆ For information about connecting your Wii U console to the internet, refer to the Wii U Quick Start Guide and the Internet section of  System Settings.
- ◆ See the Miiverse section of the Wii U Electronic Manual for more information about Miiverse. Press  on the Wii U Menu and select  Manual from the HOME Menu to display the Wii U Electronic Manual.
- ◆ Touch a visiting Mii to view their profile. The following icons will also be displayed.

Give a Yeah to a post.
