BAG Use the items you have in your Bag.

RUN Flee from a battle.

POKEMON View info about the Pokémon in your party, and switch them in and out of battle.

Electronic Manual

Select the icon for this software on the HOME Menu and touch MANUAL to view the electronic manual. Please read this manual thoroughly to ensure maximum enjoyment of your new software.

This software title includes an electronic manual to reduce the amount of paper used in its packaging. For support, please consult the electronic manual, the Operations Manual for your system or the Nintendo website.

For details about the Pokémon Global Link: visit www.pokemon-gl.com.

The Player Search System

The Player Search System (PSS) enables you to find other players who are playing *Pokémon™ X* or *Pokémon™ Y* at the same time you are, so you can play together. Local wireless connects you to nearby players, while your internet connection lets you see players from around the world.

Friends

Displays players registered on your Nintendo 3DS™ / Nintendo 3DS XL system's friend list.

Acquaintances

Displays players who are not registered on your Nintendo 3DS / Nintendo 3DS XL system's friend list, but with whom you have traded or battled at least once.

PSS Menu

Touch this icon to access the menu for features like the GTS (Global Trade Station) or Battle Spot.

Changing Connectivity

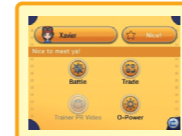

You can switch between using local wireless and your internet connection.

Passersby

Displays players who do not belong to either of the previous categories.

Touching these small icons will open the same screens that can be accessed from the field menu (see the electronic manual).

Note: Players who are not available are shown in grey.

Playing with Other Players

Touch the icon of a player being displayed on the PSS screen to trade or battle with that player.

For information about connecting your Nintendo 3DS / Nintendo 3DS XL system to the internet, refer to the Operations Manual for your system.

Note: You can restrict online interaction and/or StreetPass functionality via Parental Controls. For more information, refer to the Operations Manual for your system.

IMPORTANT: Please read the separate Important Information Leaflet.
